Fraternity Sing Won by Chi Psi; AD, Psi U Place

Chi Psi won the Berrian R. Shute trophy for the Interfraternity sing Wednesday in the Chapel. ADP placed second and Psi U third. Nine out of 12 houses entered the competition. Delta Phi and Theta Delt did not sing.

Led by Murray Hulse, Chi Psi sang *In The Still of the Night* and *The Hippopotamus.*

ADP entered the largest group of the evening. Under the direction of Paul Carter, the Alpha Delts sang *Kentucky Babe* and *Hymn of Freedom.*

Ben Schlesinger led Psi U in the numbers *The Animals Are Comin'* and Palestrina's *Inproperia.*

Prof. Berrian Shute congratulated all the singing groups before annonucing the results. He praised Dave Quarton of LXA for his original song *Foul Life,* and Squires member John Greenwald for his arrangement of a medley of folk songs.

Judges for the sing were Profs. Johnston, Long, Wertimer, Starnes and Controller Lewis.

No Business, No Meeting for IFC

The Monday evening meeting of the IFC was cancelled because of a misunderstanding, President Al McGann said Tuesday. Six members were present on time.

McGann explained that members were to attend only if informed of a meeting by Secretary James McClintock. Since there was no business, McGann said, he did not have a meeting called.

The six members present evidently did not understand this situation and thought a meeting definitely had been scheduled.

PI DELT

Pi Delta Epsilon, national honorary journalistic fraternity, will initiate six new members Tuesday night. Joby Burns, Dave Carpenter, Peter Jones, Al Prettyman, Chuck Rammelt and Earle Schemerhorn have been elected to the society.

Senior members of the fraternity elected last year are John Chase, Bob Connor, Gene Granof, Jim Schade and Mike Sundell.

"Music to sooth the savage beast" might well be the Catatonic Five's theme as "Atlas" bows to the smooth clarinet of Em Brown at the Jazz Concert Saturday morning behind Chi Psi. Phil Mead, partially hidden by Brown, and Banjoist Don Andre also are Hamilton musicians. Other members of the band are from Colgate.

Address, Awards, Athletics Mark Class and Charter Day

Class and Charter Day will be Wednesday, May 16. The first of many events during the day will be the "moving-up ceremony" in the Chapel at 10:45 a.m. or as soon after second hour as possible. The main address at the ceremony will be given by Prof. Robert B. Rudd, whose topic will be "Hamilton Fifty Years Ago."

Several athletic events are scheduled during the remainder of the morning and the afternoon. After the Chapel ceremony, seniors will compete against faculty in softball and all four classes will vie in semi-finals in golf, tennis and softball. Golf will be directed by Ron Woodward, tennis by Harry Presberg and softball by John Glezen.

Afternoon Finals

The sophomores will play against the juniors and freshmen will compete against seniors in the semi-finals. In the afternoon winning teams will compete for first and second place, while third place will be contested by the losers.

Winners in each sport will receive 5 points in the Class Day competition, the second place team 3 points and the team finishing third 1 point.

The inter-class sing will begin at 8:00 p.m. Each class must sing *Carissima* and any other two songs. The freshmen will sing from the steps of Benedict, sophomres in front of the Library, juniors from the steps of Root Hall, and seniors from the steps of Truax.

Trophy Award

The class in first place will receive 8 points, second place 5 points, and third place 3 points. Professors Johnston, Wertimer, Baldwin, and Shute will judge the event.

After the sing, John Driscoll, student chairman of the day's events, will compute the points scored by each class in inter-class contests over the past year. Prof. Johnston, acting as m.c. at a meeting in the college chapel, will award a trophy to the class which places first in the sing, and will announce the winer of Class Day. The Class of '58 is the defending champion in both the inter-class sing and Class Day.

Thus far in the scoring, seniors lead with eight points, the juniors follow with six points, sophomores have garnered four points, and freshmen have failed to score.

2 Elected to Student Council

Don Seyba and Carl Hansen were elected representative-at-large and senior class representative to next year's Student Council Tuesday.

Don Seyba

Hal Bruck was also elected to serve a two-year term on the Athletic Council.

The Athletic Council is composed of Bruck, Carl Hansen, whom the student body elected last year; Dean Tolles and Pres. McEwen, representing the administration; Profs. Parker and Hunt from the faculty; and John Strickland and Dr. Frederick Foley, representing the alumni.

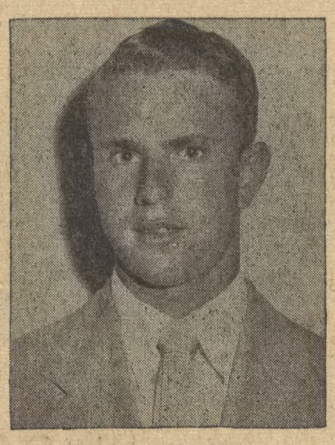
Pete Eckel, outgoing student representative to the council, reports that it decided this year that all students who engage in inter-collegiate athletics must have accident insurance.

To prevent further accidents, the athletic Council authorized the purchase of 24 lacrosse helmets.

It approved the continuation of swimming and lacrosse because of "the growing interest and participation in the sports," Eckel reports.

The council also discussed proposed schedule changes, class cuts because of trips and the *Sports Illustrated* article in its meeting this year.

Because of an error on the ballot at the May 1 Student Council elections, another vote had to be taken for the two positions. Dick Flanagan and Hal Bruck



Carl Hansen

were chosen to represent their classes on the council at the previous election.

Both Seyba and Hansen received plurality votes in both elections.

Hansen, Melius, Bruck, Flanagan Elected to Next Year's Honor Court Tuesday; McGiffin Named Chairman

Paul McGiffin has been chosen chairman of the Honor Court for the year 1956-57. In the elections in Chapel Tuesday, the student body voted for Carl Hansen to represent the class of '57; Art Melius and Hal Bruck, the class of '58; and Dick Flanagan, the class of '59.

Honor Society Chooses Thirteen Freshmen Tuesday

DT tapped and corked 13 freshmen after Chapel Tuesday. Gerry Dirvin, Scott Finegan, Dick Flanagan, Wally Hoffman, Bill Hoyt, Don Kittell, Dave Merkel, Dan Murdock, Bob Patton, Mike Slattery, Don Spencer, Ward Wettlaufer and Toby Winiarski were chosen for the sophomore society.

Dirvin, a DKE, belongs to the tennis and JV basketball teams and the Spanish and Newman Clubs.

Finegan plays varsity football and baseball and was on the JV basketball team. He is a Psi U.

Flanagan On Court

An independent, Flanagan was freshman class president and will represent his class on the Student Council next year. He will also serve his second year on the Honor Court.

Hoffman has been a member of the baseball, football and JV basketball teams. He is an Alpha Delt.

A member of the football and lacrosse squads, Hoyt, a DKE also belongs to the Newman and Spanish Clubs.

Kittel, a DU, was elected secretary-treasurer of next year's sophomore class. He is on the baseball team and writes for the *Spectator* and *Hamiltonian.*

Merkel, a TKE, is on the first string lacrosse team and played on the hockey team.

Class President

President of the class of '59 next year, Murdock, an ELS, played soccer and belongs to the Choir, French Club and *Spectator* feature staff.

Patton, who belongs to Psi U, has run on both the cross country and track teams.

Another Block H man, Slattery has played varsity football and baseball and belongs to the French and Newman Clubs and DU.

Spencer, the third DKE in the society, is treasurer of the SCA and was goalie for the hockey team this winter.

Wettlaufer is on the golf team and the *Hamiltonian* staff. He is a Sig.

Winiarski, a Delta Phi, is a member of the varsity soccer team and the French and Block H Clubs.

FREEMAN ELECTED

The Alumni Council elected William H. Freeman, Jr., '26, as a trustee of the College in a meeting last weekend.

Freeman will complete the unexpired term of the late Erskine R. Myer, who died on March 12. He is president and editor of the W. H. Freeman and Co. publishing house, San Francisco. His term will expire in 1957.

SHOW "QUIET ONE"

This week's SCA movie is *The Quiet* One, a story of the rehabilitation of a juvenile delinquent. The film has been praised as " . . . a genuine masterpiece of documentary drama" by the *New York Times* and has won a first prize at the Venice Film Festival.

The Quiet One will be shown tonight and Saturday at 8 p.m. in the Chemistry Auditorium. Admission is free.

McGiffin, an Alpha Delt, is a member of the Choir, track team and Was Los and has been elected treasurer of the Chapel Board for the coming year. He is a former member of DT.

Hansen, the second senior on the court, is a member of DU, football and lacrosse teams, Student Council and Was Los.

Melius In SCA

An ELS, Melius is a member of DT, Student Christian Association, Choir and Chapel Board. He also plays on the basketball and baseball teams.

Bruck, a DKE, plays football, is a member of the track team and served this year as secretary of the Student Council. Both Bruck and Melius are members of Was Los.

Flanagan, was elected to the Honor Court after serving as freshman appointee.

Bruck's First Year

McGiffin, Hansen, Melius and Flanagan served on the Honor Court during the past year; Bruck will be serving his first term on the court.

A representative from the class of '60 will be chosen next fall.

French Club Farce Fails to Move Partying Colgate

Al Kempler reports that the French Club production of *Le Medecin Malgre Lui* at Colgate was a success. The play attracted a large captive audience of students who were forced to attend the play by the Colgate French department on their houseparty weekend, he added.

Kempler, president of the club, said: "We had an understandably cool reception — Moliere is no match for dates. The performance at Colgate was tops, but the audience at Hamilton was more receptive."

After the play, the members of the cast were served cranberry punch.

President Kempler said that he wanted to express his thanks to Prof. Hamlin for his help to the French Club this year. He mentioned that Hamlin drove to Middlebury at his own expense to select the costumes for the play.

The French Club will close its activities for the year at a party on Thursday, May 17. Elections will be held at that meeting.

Gross, Dixon Fill Top SCA Positions

The SCA elected Frank Gross president for the coming year at its meeting Sunday.

Other officers are Tim Dixon, vice-president and worship chairman; Don Spencer, secretary-treasurer; Art Melius, outreach chairman; Joe Leard, fellowship chairman; and Dave Quarton, publicity director. Steve Hoffman will direct the film program next year.

The group discussed its work in the Forestport and Utica Rescue mission projects and ways of increasing membership. At next week's meeting Dean Colin Miller will lead a discussion of the Trinity, and Prof. Herbert Long will discuss New Testament Greek at a meeting later in May.

Students, Faculty Dine, Elect Chapel Board Members

by Bob Miller

Twenty students and ten faculty members were elected to the Chapel Board at the annual Chapel Congregation dinner last night in the Hall of Commons.

The new Chapel Board is composed of Shedd Williams, president; James Butterfield, sectretary; Paul McGiffin, treasurer; Colin Miller, dean of the Chapel and Robert W. McEwen president of the College.

Student Members

Tim Scholl, James White, George Dixon, Arthur Melius, Stephen Hoffman, Paul Goetz, Frank Gross, Richard Horning, Clifford Meaker, Ronald Petrou, Richard Purple, William Murray, Charles Rammelt, Bruce Geer, Ward Wettlaufer, Ridgley Pierson, Richard Hall, David McMillan, Craig Henzel, and Bruce Clark are the other student members.

New faculty members are Profs. Herbert Long, Lawrence Yourtee, David Hawley, John Baldwin, George Nesbitt, Paul Hayner, Thomas Johnston, Landon Rockwell, Walter Hess and Charles Godcharles.

The speaker of the evening was the Rev. Cady H. Allen, a graduate of Hamilton, who has devoted 44 years to Presbyterian missionary work in Iran. His topic was "The Challenge of Iran."

Chief Challenges

Stating that Iran's chief challenges to the church in America are nationalism, Communism, and Islam,Rev. Allen described the development of each of these forces and the steps taken by his missionary group to combat them.

Nationalism, the speaker said, is the result of civil and political reforms introduced in the 1920's and the influence of former Premier Mossadegh. Nationalist feeling has forced the closing of missionary schools, but the Presbyterian church itself has taken over their work.

Christians Fight Reds

Communism is now no longer the threat it has been in the past, Rev. Allen continued. The menace has been successfully fought mainly through Christian social service work, the Point Four program, and the fortunate discovery and execution of several Communist leaders.

Islam presents an ethical challenge in that its concepts of God and marriage differ widely from those of the Christian church. But Christian missionaries have been able eto convert many Moslems by motion pictures and by Christian service, the speaker said.

Mr. Allen concluded with a statement that the challenge still exists and that doctors and missionaries are urgently needed throughout the Moselm world.

LETTERS TO THE EDITOR—
Smith Appraises Social Program

To the Student Body:

As the Social Committee's year is ended, it is appropriate that the outgoing Chairman render a report on Committee activities. I wish also to take the opportunity to review some facts concerning the policies and problems of the Committee of which most students have not been aware, but which should help to clarify its unique role in campus life to any student who have been wondering about such matters.

This year the Committee considered to be a successful one. We had more money than in any previous year—nearly $5,000. Social tickets, which were purchased with a gratifying and overwhelming response in September, accounted for about $4,500 of this. The Committee makes around two or three hundred dollars on refreshments proceeds and admissions at the doors to our events.

Carnival Successful

Winter Carnival, the most important event we sponsor, was from our point of view highly successful. Some students complaints were voiced concerning the quality of the jazz band Friday night, and in these we concur. The dance Saturday night, however, we considered as outstanding. And for once, every house sent a candidate to the Queen contest.

We concentrated on college jazz this year for the reason that the two groups we had at Fall Houseparty and Jazz Concert weekend provided some of the best music available for the price. The Stompers in particular had been well received everywhere and we felt that their general popularity with college students would justify their appearance here. Some students have wondered, incidentally, why we have not brought "progressive" jazz to Hamilton. We feel that, because we must cater to the taste of the student body as a whole, unlike larger schools, and because we know with reasonable certainty that Dixieland is perenially popular, we should not take a chance with "progressive". It has apparently not been tremendously popular among the Eastern schools.

Mediocre Dances

This year's class dances had their usual degree of popularity: only mediocre. We do not wish to allocate more money to them than we do now because of the pressures of our major weekends. We wish to thank all the houses for again contributing a keg of beer apiece at some point during the year for the Block Beer parties.

The Committee, whose activities have been increasing yearly, has been its present form of five men, each with a well-defined set of responsibilities, for seven years. The idea of the present Committee combines the function of the old Winter Carnival Committee and the practice of the social ticket scheme to raise money. The members are appointed by the incoming Chairman. This system is neither democratic nor unprejudiced, but to obtain the man most likely to do dependable, efficient jobs, I see no alternative plan of selection.

SOC Raises Funds

The Social Committee is the only important campus organization which raises its own money by its own efforts. Our budget is the only one which approaches that of the Publications Board, which has more money than any other organization.

As it stands now, the Committee is almost exempt from official student control in policy and finances. There are nevertheless certain controls and considerations which inevitably determine our program. Our charter is granted by the Student Council, which approves the new Chairman and to which we submit a year's financial report. We have a faculty advisor, Mr. Potter. The Chairman and Treasurer meet with the President and three faculty members in the fall to review the coming and past year's activities and finances.

Further, all our bills are paid through the Controller's Office, which keeps duplicate books on our funds. All members serve without any kind of remuneration. We are indebted to Mr. Norman Lewis for his continuing advice and aid on our finances.

Policy Principles

The principles of our financial policy are first, to stay within the budget figures which through past records and experience we have decided upon at the begining of the year, and second, to spend all the money we make on social tickets in September. An ideal year for us is one in which the entire budget has been spent, while none of our small reserve, built up through occasional surpluses, is touched.

The actual events we plan are dictated in part by the fact that only a limited number of weekends are available to us besides Houseparties, as anyone who has looked at Mr. Johnson's calender of events will agree. Also, facilities for all-college social events — the events, in events—except in the case of an outdoor jazz concert — are rather limited.

Prohibition Problems

The fact that the College does not allow drinking in any of its buildings is a problem which we cannot surmont to everyone's satisfaction. We do not like to ask houses to take allcllege events, and appreciate greatly the cooperation of those houses which have lent us their facilities. Finally, the policy on events is the result of what we believe to be student taste in social events — the events, in other words, which have been consistently popular in the past. It is a just criticism that the Committee has recently lost touch with student opinions and suggestions on the social program. Next year's group would probably be well-advised to improve this situation.

The reasons why the Committee has not made it a practice to publicize the amount bands cost us from year to year are these: Anyone who has faced the problems of signing a name band will know that a great many uncertainties must be faced. The band is not dependent on you; it has a choice of several engagements for the same night; you are dependent on the band or agency, as far as the date and price are concerned.

Certain bands costing well

Hill Anglicans To Meet on Sunday

Sunday the Angelican Society will meet at 8:30 p.m. in the Chi Psi Lodge.

Speaking at the meeting will be the Rev. Robert J. Parker, St. James Church, Clinton. Roger Prokop, president of the society, will introduce the speaker.

The main issue under discussion will be whether or not the Anglican Society should re-affiliate with the National Canterbury Association.

For more than four years, the society has not been affiliated with the national organization, but many Episcopalian societies on other college campuses have joined.

If the vote is affirmative the society will change its name to the Canterbury Club.

The year's activities of the society will be summarized at the meeting. Prokop commented on Monday that this year has been a very successful one; the society has had six speakers, including Parker and Dean Miller, at its meetings.

The college community will be welcome at this meeting Prokop said.

Hill Nine Seeks To Break Streak; Meets Union Here

Hamilton's baseball team, smarting from two losses during the past week, entertains Union here tomorrow afternoon at 2:30. It will be the final meeting of the year with the Garnet, who were stopped by Ron Hovey's four-hitter earlier at Schenectady. Gordie Hall will probably draw the pitching assignment for the Blue tomorrow.

While Hovey was effective enough at Union, Hobart found his right-handed slants much to their liking two days ago at Geneva. In a rain-abbreviated six inning contest, the Statesmen slammed out 11 hits in winning, 10-4.

Hobart captain Lenny De Francesco walloped two home runs to spark the Genevans' attack which also included three doubles and a triple. The Blue collected nine hits, all singles, off Hobart's Dave Glassman but had only one big inning—the fifth — when they tallied three times.

Nothing went right for the Continentals here last Saturday as Rochester rolled up a 7-1 lead and coasted from there to a 9-4 victory. The large Houseparty crowd saw starter John Penney walk six men before he was relieved by Gordie Hall in the fourth. Altogether, the Yellowjackets slammed out eleven hits off three Hill hurlers, four of them for extra bases.

The Blue managed to collect only six hits off Rochester pitchers Spofford and Bradbury who combined to fan 3 men.

Only in the fifth could Greg Batt's men put together a decent rally. Dave Moffet led off with a walk, Giglio was hit by a pitched ball, and Finnegan singled to load the bases. Moffet then tallied when Rochester third sacker Devereux fumbled Dailey's grounder. Freshman pinch hitter Don Savage followed with a single, scoring Giglio and sending Fivaz, who had walked, to third. The big catcher then completed a triple steal to score the final Hamilton run.

Paul McGiffin displays the form that broke his own Hamilton College javelin record. Paul recently threw the javelin more than 196' to set a new record.

Track Meets Ithaca; Cline Sets Record

Having captured their first three meets of the year, the Continentals will be gunning for their first undefeated season since 1934 tomorrow, when they entertain the Ithaca College squad.

Last Saturday, the Hamilton College track team won its second consecutive dual meet, trouncing Cortland State Teacher's College, 80-51, before a large houseparty crowd. The Continentals garnered 13 first places in defeating the Red Dragons for the first time in seven years.

Captain Earl Cline highlighted the meet with a record-smashing broad jump of 22 feet, 11 inches, bettering his old record by seven inches.

Other outstanding Blue performers were Hal Bruck and record-holder Peter Eld and Paul McGiffin, each capturing two firsts. Bruck, a sophomore from Newark, N. J., sprinted the 100 and 220 in 10.2 and 22.8 respectively.

Eld was clocked at 25.1 in the low hurdles, which did not count as a new record because of the strong tail wind; he also copped high hurdle honors with 15.7. McGiffin heaved the javelin 192 feet, three inches and hurled the discus 132 feet, 4 inches.

Other firsts were nailed down by Al Shaler in the 2 mile run, and Jay Eveleth who cleared the pole vault bar at 10 feet, 6 inches to force a three way tie for first place. Pres Dawes tied for first in the high jump with 5 feet, 7 inches, while unbeaten Haukur Boovarsson took the 440 in a fast 52.9. The Blue's impressive mile relay team, consisting of Durham, Ingraham, Eld, and Boovarsson, finished first with a near-record 3:35.

Coach Long's cindermen showed strength in all of the running events as Steve Harwood and Cline placed second and third respectively in the 100 and 220, while Junior Chris Durham copped second place in the 440.

Freshmen John McMartin and Doug Robinson ran second and third in the 880 as did Poole and Bartlett in the mile run. The high hurdles saw Roy Basler take third, and freshman Barclay Ward placed third in the two mile.

However the Continentals lacked depth in the field events iwth only Nuccio and White copping thirds in the high jump, and broad jump respectively.

Wednesday afternoon the Hamilton College track team romped over Oswego State Teacher's College 91⅓ to 39 2/3 at Oswego.

Despite poor track facilities, junior Al Shaler ran a fine 10:14.6 in the two mile, and Bill Poole copped one mile honors with a 4:44.3 performance. Also among the 11 first places garnered by the Blue were Captain Earl Cline's 10.1 100 yard dash and Hal Bruck's 24.2 220 yard sprint.

Exchange student Haukar Boovarsson was clocked at 53.8 in the 440, while Doug Robinson and Bob Patton tied for first in the 880 with a time of 2:09.5. High jump record holder, Joe Nuccio, also tied for first place, clearing the bar at 5'9".

Other winning Blue performances were McGiffiin's javelin heave of 191' 11½". Cline's 21' 2½ broad jump, and Pete Eld's 27.2 time in the 220 yard hurdle event. The Continental mile relay team remained undefeated.

Hill Racqueteers Move on Oneonta

Tomorrow the Hamilton College tennis team travels to Oneonta to face Hartwick in an attempt to remain in the unbeaten ranks. The team will complete its schedule with three matches next week against Rochester, Union, and Cortland.

Last Saturday afternoon, playing before a Spring Houseparty crowd, Hamilton downed Rochester 7-2. Harry Presberg playing first singles squeezed out a 10-8, 2-6, 6-2 victory, while John Roberts won easily 6-2, 6-2. Dick Miller won 6-1, 6-1, and Pete Cox battled to a 7-5, 6-3 victory. Tim Smelzer romped to an easy straight set victory 6-0, 6-2, while Phil Lord was defeated, 6-1, 6-4.

In first doubles Presberg and Miller were defeated by scores of 9-7, 2-6, 6-2. Smelzer and Roberts won easily 6-0, 6-3, as did Cox and Jerry Dirvin 6-1, 6-0.

Last Wednesday Hamilton defeated Hobart 7½-1½ in a match played at Clinton. Presberg and Roberts each won handily 6-2 6-2, and 6-1, 6-3. Miller won in three sets 8-6, 2-6, 6-2, While Cox was victorious 6-3, 6-3. Smelzer struggled to a three set victory 6-1, 4-6, 6-2, and Lord romped to an easy win, 6-0, 6-1.

In the doubles Miller and Presberg had their match called because of darkness after being all even at a set apiece. Smelzer and Roberts won easily 6-3, 6-0, while Cox and Dirvin were defeated 6-2, 2-6, 6-4.

GOLFERS AT UNION

The Hamilton golf team visits Schenectady this afternoon seeking its second win of the season over Union.

The Schenectady linksman, who have won only one of the fifteen matches played between the two collges since 1930, were victims of a 9-0 Continental whitewash April 28.

Lacrosse Squad Wins Yet Another, Faces Strong Union Attack Tomorrow

The Hamilton lacrosse team evened their record at 2-2 in the last week ,as they split two games winning against ortland and losing to Colgate. The team will travel to Schenectady tomorrow for the first of a home and home series against Union that will conclude the season.

Union has a reasonably strong team this year, particularly their attack, and the game should be strongly contested as the Blue will try for their first winning season in five years.

On a mud soaked field a week ago, Colgate grabbed an early lead and was able to defeat the Continentals 5 to 3. The Red Raiders, featuring a "Humphrey' like goalie, netted three goals in the first period, and then held off a spirited rally by the Blue. Steve Greenhut, Dave Merkle, and Don Ivers scored for Hamilton, while Carl Hansen played a rugged all around game at midfield. Colgate had a rough and hard driving team which did not seem to be affected by the sloppy field. On the other hand, the Hamilton offensive unit found the going very difficult in the mud.

Tuesday afternoon the Continentals scored first and never relinquished their lead to set back Cortland State 6 to 4 It was a well played game, featuring a brilliant duel between goalies. Roger Pisani, the Continental goal keeper, played the finest game of his career, making 26 saves and completing every clear successully.

Rog Mosher again led the Continentals in scoring with two goals, while Don Ivers, Bob Behnke, Dave Merkle, and crease man Bill Penfield notched single tallies. Defensemen Wayne Mahood, Dave Smalley and Sherwin Weinstein turned in fine performances.

Eighteen Blue fouls forced the team to play more than one fourth of the game while down at least one man.

The queen, selected from a field of 12 entrants, is from Newton, Mass. Her escort was Steve Anthony, an ELS freshman.

over $2,000 are, as our budget stands now, beyond our price class. We have spent in the neighborhood of $1,500 each for the Winter Carnival bands of the last four years. To say that one year's band cost, say, $1,900 might prove to be a reflection on the succeeding Committee's prestige if for one reason or another it culd not sign a band of the same price class the next year.

The Committee is aware that it cannot please everyone on the choice of the band, but it tries to reach a happy medium. The plan of having a name band appear for Winter Carnival goes back a long time—Glenn Miller played in 1939 —but it may some day be worthwhile to revise it. The money saved from singing a less expensive band than we get now could be put into other events.

The Committee will probably retain the policies and organization it now enjoys for the next few years. The program seems to be working out to the satisfaction of the majority of the students. The social ticket plan provides a great deal of entertainment at a modest price.

I am glad to have had this opportunity to explain what we have been doing and to provide the background for what the students may expect in the future.
